USE BIBME.ORG TO CREATE A CITATION IN APA STYLE (rev. Oct. 2014)

1. Copy the URL from the website you wish to cite:

   ![URL example]

2. Paste the URL into the search field in BibMe. Click “Find Website.”

   ![BibMe search field]

3. Select the correct website:

   ![Select website]

   Click on “Continue to Final Step”
4. Filling in missing information in the form; for items with no available information, leave field blank. Click “Add to My Bibliography”

5. Choose APA style, and copy the citation for use in your academic project.
